CROWN
PAVING

YOUR PAVING PARTNER

Crown Paving is your go-to paving contractor for projects large and small.

Whether we're starting from scratch, removing and replacing, or just patching things up, we stand by our work to deliver quality projects as a reliable partner you can count on. We guarantee our work a full year after completion.

Woman-owned

Licensed, bonded and insured

Technology-enabled

OUR CERTIFICATIONS

Crown Paving is a certified, woman-owned small business enterprise. Our certifications demonstrate our commitment to providing expert paving solutions and lasting value to our customers and our community.

A TEAM YOU CAN TRUST

Built from three generations of experience, we founded Crown Paving with a purpose: to use our talent and knowledge to build a business that provides top-quality service to the community we care about and creates jobs for hard-working people. Partner with Crown Paving as we work toward our mission to redefine the paving industry through unsurpassed quality and reliability.
